# 01 CONTENT IDEAS

CREATOR PROMPT PACK — FREE STARTER

A taste of how the pack helps you never run out of ideas.

## 01.1 Endless Idea Machine

Give me 25 fresh content ideas for [NICHE] aimed at [AUDIENCE] on [PLATFORM]. For each idea include: a working title, the core hook in one line, and which emotion it triggers (curiosity, fear of missing out, relatability, aspiration, or surprise). Avoid generic ideas everyone already posts — push for angles that feel new.

## 01.2 30-Day Content Calendar

Act as a content strategist for a [NICHE] brand on [PLATFORM]. Create a 30-day content calendar for the account "[BRAND/HANDLE]" targeting [AUDIENCE]. For each day give: (1) the content pillar, (2) the format (reel/carousel/story/short), (3) a one-line concept, (4) the goal (reach, save, sell, or trust). Balance the calendar across these pillars: educate, entertain, inspire, and sell. Output as a clean table.

## 02 VIRAL HOOKS

CREATOR PROMPT PACK — FREE STARTER

Scroll-stopping openers, on demand.

### 02.1 Hook Generator (20x)

Generate 20 scroll-stopping hooks for a [PLATFORM] post about [TOPIC] for [AUDIENCE]. Use a mix of: bold claim, curiosity gap, contrarian take, mistake/warning, transformation, and listicle openers. Each hook must be under 12 words and speakable in the first 2 seconds. Rank your top 3 and say why they'll perform.

# 03 POST TEMPLATES

CREATOR PROMPT PACK — FREE STARTER

Ready-made structures you fill in and post.

## 03.1 Short-Form Video Script

Write a [15–45]-second short-form video script about [TOPIC] for [AUDIENCE] on [PLATFORM]. Structure: (1) a scroll-stopping hook in the first 2 seconds, (2) a quick promise of what they'll get, (3) 3 punchy value points, (4) a pattern interrupt in the middle to keep retention, (5) a clear call to action. Format it as: ON-SCREEN TEXT | SPOKEN LINE | VISUAL/B-ROLL. Keep sentences short and spoken-word natural.

## 03.2 Carousel Post (Save-Bait)

Create a [7–10] slide carousel for [PLATFORM] about [TOPIC] for [AUDIENCE]. Slide 1 = a bold hook that promises a clear outcome. Middle slides = one idea each, max 2 short lines, written to be screenshotted. Final slide = a recap plus a call to action to save and follow. Give me the exact text per slide plus a one-line design note for each.

## 04 AD COPY

CREATOR PROMPT PACK — FREE STARTER

Copy built to convert.

### 04.1 UGC Ad Script (Authentic)

Write a 30-second UGC-style ad script for [PRODUCT]. It should feel like a real customer talking to camera, not an ad. Structure: relatable problem → discovery moment → how the product helped → specific result → soft recommendation. Tone: casual and honest. Output as VO line | on-screen text | visual cue. Audience: [AUDIENCE].

# 05 FRAMEWORKS & STRATEGY

CREATOR PROMPT PACK — FREE STARTER

## 05.1 Irresistible Offer Builder

Help me build an irresistible offer for [PRODUCT/SERVICE]. Define: the core result, the dream outcome, what's included (stack the value), risk reversal/guarantee, scarcity or urgency, and the price framing. Then write a one-sentence offer I can put everywhere. Audience: [AUDIENCE].
